TESTIMONIALS

Thank you so much for your prompt delivery, it is wonderful to be able to start the new year with the jerseys. The quality of the jerseys is great.

Our students are all very happy with the sizing, the fabric and how their senior jersey looks this year. There were lots of smiles and laughter the day they received their jerseys. Thank you, this is a wonderful experience.

Working with Briz Leavers to purchase our 2024 Senior merchandise was a great experience! Using a new supplier can be daunting however the process from designing, ordering, managing orders and shipment was exceptional. We loved the online ordering process, and being able to amend student orders right here from our school before being put into production. This meant that we were able to change sizes and student names on their merchandise fuss free. Moranbah SHS can't thank Briz Leavers enough for such a positive experience and quality product! Our Seniors look great in their polo's and jerseys!

Jersey and jacket both have attracted very positive comments, especially for the quality of the garments. A buyer from a very large uniform supplier visited us and I showed her our jerseys. She turned over the hems and studied the stitching. She felt the fabric and turned the collar. She examined the logo stitching. She was impressed. The students are happy, the staff and parents are happy.
